by appointment only

Please call 920.743.4144 to schedule today!

If these dates do not work and you would like a tour, please call and we will find a time that works for you.

St. John Bosco is shaping future leaders by providing academic excellence in a caring 4K-8 Catholic environment where God’s gifts are nurtured and where faith is put into action. The benefits of a Catholic education have been studied and well documented. Results show that students who attend a Catholic school receive a challenging, high-quality academic experience in a supportive environment, with an emphasis on Catholic values and college preparation. The self-discipline developed by students, along with learning to accept responsibility and to respect others, work together to create excellent life-long learners. We offer:

- Cutting edge technology to all our students
- Strong foundational skills in reading and math
- Daily Spanish in 5th thru 8th grade
- Accelerated math courses in 7th and 8th
- STEM curriculum

St. John Bosco is a Choice School and offers tuition assistance. For more information visit <https://johnboscoschool.org>

Masks will be required for all those entering the building.
