

Door County Toys for Kids Program 2021

With COVID still lingering its ugly head, we are working hard to figure out the best and safest way to get our local families in need gifts for their children. We will start again by going 100% contactless for registration this year. You will be given a phone number to a volunteer to contact, and they will take down all your information over the phone. On the day of distribution, you will need to show your photo ID (legal parent and guardians), proof of your Door County residency and proof of your children's date of birth.

Distribution

Saturday December 11th. We will be offering curbside again and that will get priority with pick up times starting on Friday December 10th! In person shopping is a possibility at this time! However, we will have to schedule specific times for all in person shopping to avoid to many people in at once. There will also be a time limit to remain on schedule. We will again request all people registering to send us a detailed wish list for each child in case we go 100% curbside. This is will be done at The United Methodist Church in Sturgeon Bay.
