"a baby will make love stronger, days shorter, nights longer, bankroll smaller, home happier, clothes shabbier, the past forgotten and the future worth living for"
~ Pablo Picasso

A Family Resource Specialist will provide non-judgmental support to first time parents.

They will answer questions regarding infant care and child development as well as assist parents with connecting to other services as needed.

The goal of the Welcome Baby program is to ensure first time parents

feel supported, informed and empowered.

Your *free* Welcome Baby Visit will include:

- An in person visit with a Family Resource specialist
- A folder of information about Community programs that support families
- The Brain Game book

"The first five years have so much to do with how the next 80 turn out."
